( Luke 5:17/John 11:17)

### **GOD'S TIME IS THE BEST**

In the bible there are so many people who were friends. Friendship brings unity and togetherness among members of the family.

In the gospels of John there were four friends: Lazarus, Mary, Martha and Jesus Christ. The four were true friends who could share everything they had and who loved each other forever. These friends knew that Jesus loved them.

God's time is the best time because God knows our talents. Most of our plans are barren, and our dreams are shattered but it is important to keep on fighting. In marriage, Mary and Martha thought it was the same but God's time was the best time.

As Christians there are four ways we should learn about God's time.

#### **Love:-**

The Family of Lazarus loved Jesus Christ. They welcomed Him and Jesus Christ knew that they loved him,. Therefore love is very important when we have it. Love brings two people together, it promotes companionship between people in a society so let us love one another.

#### **2. Confession:-**

Martha confessed to Jesus Christ as Lord and she did not accept Jesus Christ as the son of God. In the bible, When Jesus was talking to his disciples, he asked what people are saying about whom he is. From today just confess Jesus Christ as Lord.

#### **3. God is never Late:-**

Martha told Jesus Christ that if you were here our brother could have not died but Jesus told her that if you believe in me everything is different because his blessings are different.

When Jesus appears in your life everything is different no matter how long you have taken to pray. In serving God always remember to keep on serving God, loving him, praising his name and everything you want will come in time.

#### **4. His family were obedient:-**

When Jesus came, his family was full of compassion and love to Jesus and he asked them where Lazarus was buried. When he got there, he told Lazarus to wake up and finally Lazarus woke up. We learn that it doesn't matter how long you are serving, God will open your ways.

Jesus called the name of Lazarus and told him to come out of the grave. Know that if you trust in Jesus Christ you will rise again.

Remember;

You can think of building a small house but God's plan is for you to have a big house, and you can think that this is the end of Life but God's plan is the best

*Just obey him*

*Don't be tired and give up on doing something bigger.*

*Let us not lose hope in Life.....*

GOD BLESS YOU FOR TAKING YOUR TIME TO READ THIS SERMON.
