Romans 1: 18,26

FIGHT SOMETHING THAT RELATED TO IT

A problem is something that will never end In today's life. Do we live in a world that has no problem?

Lets pray.

In this world ,people suffer because of economic problems, sickness and any other disabilities that they encounter. The world we are living in has problems and since it is not a creation of all these, its not what we feel but remember the world is me and you , And as for the church ,since it's not working well, the church has no problem, it is the same me and you who creates the problem and all these will not happen if you serve God in the truth

In the book of Romans , God has revealed to us against ungodliness and unrighteousness of men but we hold the truth .How will you love God if you can't love your church, your neighbor, your friends, your relatives and yourself.

According to the bible , we learned two ways why we have failed God;

The World has sin:-

The world of today is surrounded with sin like no body would ask him/herself why he /she is doing wrong; no body would ask himself why church is failing so that he/ she would be in a position to identify and pray to God for stabilization

The world is hiding the truth:-

The truth is serving the Lord regardless of what you have passed through agreed to serve Lord. According (verse 28) they hide the truth like not to retain God in their knowledge, God gave them mind to do what they wanted.

Anytime God has lifted you up , serve your Lord.

In conclusion, the world is stinking, the world is me and you, love your church, your neighbor, your close friend the way you would love yourself.

Repent your sins and seek God's Way.

Thank you All.
