

**FROM THE PASTORS DESK**  
**Sermon preached by: Rev. Nathan Ondego**  
**On Sunday : 27th January, 2019.**  
**Luke 23:39 -43**  
**TIME DOES NOT MATTER**

Many times, people find themselves into problems, we are all aware of what happened in Nairobi at Dusit D2 Hotel. While Death determines our next life people at Dusit had not know their determination was at the door however as death closes near you in all the sins you may be dying, Time does not matter.

The story we are going to study about will give us three windows which can lead us to a life internal.

**Window 1. Fear God.**

The thief on the cross was at his far end, his hope had gone and his life to internal destruction was already beaconing, he quickly remembered one word, the fear of God is the beginning of Wisdom, he then preached to his core accused, don't you fear God.

When you are through all that labor and you are at a point of no return, fear God and you will be restored.

**2. Window 2: Accept your Sinner.**

The thief on the cross declared by his own mouth that we are sinners, we sin, we deserve this punishment, Whatever your going through accept your principle participant, look to God and wait the results.

**3. Window 3. Be specific**

The Thief on the cross boldly told the Christ to do him a specific thing to remember him in his kingdom. In your polygament tell God what exactly you need, do not sit there blaming and blaming, cursing and cursing without telling God what you want be specific.

Conclusion, when you fear God, repent your sins and ask God specifically, God answers, God told the thief on the cross today you will be with on the paradise his fate was restored.

Time does not matter, no matter how strong you are, how healthy you are still need God, repent your sin now.
